R118 / Wyattville Dual Carriageway, Cherrywood ****

The delivery of the Cherrywood Strategic Development Zone will involve significant construction works over the **next 7 months** in the Cherrywood area.

The first phase of infrastructure provision for the Cherrywood Strategic Development Zone will be delivered by JCL, the joint venture between John Cradock Ltd. / Jons Civil Engineering.

Major road works began on the Wyattville Dual Carriageway between M50 Junction 16 and the N11 at Cherrywood, on 9th February 2017 and will continue until March 2018. The primary focus of this phase of the infrastructure works is the upgrade of the Wyattville Roundabout to a large signalised junction, and upgrade of Tullyvale Road to a multi-lane dual carriageway, involving road construction, road drainage, traffic signals, public lighting, provision of utilities, etc.

Traffic restrictions will be in place for the duration and delays can be expected.

It is intended to retain two lanes of traffic inbound and outbound at peak times. During off-peak times from 10am to 4pm on intermittent days, traffic shall be reduced to 1 lane in both directions on the R118 Wyattville Link Road between the N11 and M50 in order to facilitate various new service road crossings and construction of various tie-in sections to the new junction arrangement. Barriers will remain in place around the junction and in the medians to facilitate works in all areas around the junction.

Please note that Pay and Display parking on Tullyvale Road will cease permanently from 1st February 2017, however, Pay and Display parking is available adjacent to the Brides Glen Luas stop, on Cherrywood Avenue Extension.

Luas users are advised that vehicle drop-offs or collections on Tullyvale Road for the Cherrywood Luas stop are restricted during construction works, and drivers are advised to use the Brides Glen Luas stop for drop-offs and collections.
