## Department of Rural and Community Development Community Enhancement Programme 2018

Departmental Guidelines adapted for DLR Local Community Development  
Committee (LCDDC)

PLEASE READ THE FOLLOWING GUIDELINES CAREFULLY BEFORE COMPLETING THE 2018  
APPLICATION FORM.

### 1. Introduction

On the 31<sup>st</sup> May 2018 the Minister for Rural and Community Development Michael Ring, announced a new €4.5m capital grants scheme. The Community Enhancement Programme (CEP) is a new programme for 2018. It builds on and replaces the Communities Facilities Scheme and the recast RAPID programme, which launched in 2017. The **CEP** provides funding to communities across Ireland to enhance facilities in disadvantaged areas.

The **CEP** is funded by the Department of Rural and Community Development (*the Department*) and administered by the Local Community Development Committees (LCDCs) in each Local Authority area.

The Scheme is being administered by the DLR Local Community Development Committees (LCDC) under the remit of the Local Authority (LA) on behalf of the Department. The LCDC will be responsible for targeting and allocating funding as they are ideally placed to identify the applications which most suitably address the Scheme's target groups and issues in the LA administrative area

Further details on the Dún Laoghaire-Rathdown LCDC are available here:

<http://www.dlrcoco.ie/en/community/social-development-inclusion/dlr-local-community-development-committee>

Applications for funding can now be made under this Programme to the Dún Laoghaire-Rathdown LCDC by 5 p.m. on Monday, 30<sup>th</sup> July 2018. (Further details on application form 2018)

## **2. Aims of the Programme**

The programme provides funding to communities across Ireland to enhance facilities in disadvantaged areas. It provides funding to address disadvantage as identified in the Local Economic and Community Plan (LECP). The administration of this scheme by the LCDC allows decision making at a local level to ensure that funding is targeted appropriately towards the areas that need it most.

The **CEP** will operate in a complementary manner to add value to other front-line schemes and programmes being operated in communities including by other agencies and departments.

The programme can fund or partially fund larger scale capital projects to address disadvantage. Some funding is ring-fenced to provide small capital grants of €1,000 or less. This is aimed at assisting small grassroots community projects to get off the ground. Ring-fencing funding at this level will allow a larger volume of those with limited resources to receive some funding.

## **3. Who is eligible to apply?**

### 3a. Organisations eligible for funding

The following provides a non-exhaustive list of organisations that can apply for funding under the programme:

- Government Departments and State Agencies (in cases of leveraging funding),
- Locally based community and voluntary groups in disadvantaged urban and rural areas, and,
- Not-for-profit organisations.

### 3b. Organisations NOT eligible for funding

- Commercial organisations, individuals and for-profit organisations are not eligible for funding under this programme.

## **4. What projects are eligible for funding?**

### 4a. What projects are eligible for funding?

The funding covers capital projects only and should demonstrate added value. Projects or elements of projects of a capital nature may be funded. These include, for example, office equipment, project resources, energy efficiency equipment, etc. for voluntary groups. See below for further information on Target Groups and Thematic Areas.

30% of the funding will be ring-fenced for grants of €1,000 or less.

Match-funding from other sources is not a requirement under this programme. In cases where both current and capital works are carried out together, only the capital element can be funded through this Programme. Projects which would improve the quality of life for residents, providing tangible supports which address disadvantage will receive priority.

Funding could fill in gaps in Local Authority funding and make particular projects viable or improve them. Funding could be applied to speed up and improve projects already identified i.e. those in planning stage or ready to implement.

The following provides a non-exhaustive list of capital projects that could receive funding under the programme:

- Development/renovation of community centres
- Once off maintenance of premises. This does not include regular routine maintenance
- Community amenities
- Youth clubs or facilities
- Sports/recreation facilities
- Improvements to town parks and common areas and spaces
- CCTV equipment
- Public realm improvements
- Streetscaping
- Play/recreation spaces
- Energy efficiency type projects

#### Target groups and Thematic areas

This funding is targeted towards enhancing community facilities for individuals and communities that are impacted by disadvantage as identified in the LECP.

- In relation to thematic areas, projects must have complementarity with the objectives of the DLR Local Economic and Community Plan (LECP). Please see Appendix 1 of

the Guidelines which sets out a selection of DLR LECP priority objectives. Alternatively please see full DLR LECP document at [http://www.dlrcoco.ie/sites/default/files/atoms/files/dlr\\_lecp\\_april\\_2016.pdf](http://www.dlrcoco.ie/sites/default/files/atoms/files/dlr_lecp_april_2016.pdf)

### **5. Requirements of the Programme**

The following conditions apply to all projects:

#### **Tax Requirements**

- The applicant group/organisation does not have to be registered for tax purposes.
- Any applicant group/organisation that is registered for tax purposes must be tax compliant. In line with revised tax clearance procedures, which came into effect in January 2016, the Tax Clearance Access Number and Tax Reference number must be submitted for verification purposes.
- VAT will only be paid where it is included in the application amount. No further requests for VAT payments or repayments will be accepted.

**Insurance** - Written evidence of a valid insurance policy may be requested by the LCDC, where relevant, during the applications review process.

**Acknowledgment of funding** - Due to the value of some of these grants, it would not be cost-effective to require signage acknowledging the Department, Local Authority or LCDC. Other suitable acknowledgements will suffice e.g. on a group/organisation's website or social media platforms. Where signage is developed it should acknowledge the contribution of the Department.

Larger scale projects may be required to erect suitable signage acknowledging the contribution of the Department, LCDC and LA.

## 6. Selection Criteria

Applications will be evaluated by the LCDC to ensure eligibility and consistency with the Dún Laoghaire-Rathdown Local Economic and Community Plan (LECP). - **Need**  
Applicants must clearly identify and evidence the need for the project or proposal.
