#### Information Item Submitted by Members for Written Reply

##### Councillor Ossian Smyth - Roll out of 30 kph Scheme in certain Residential Estates

To ask the Manager to report on the rollout of the 30kph scheme in certain residential estates and the planned deployment of variable speed signs along the expected timelines.

#### **Reply:-**

DLRCC have appointed a Contractor to install the poles and signs in the areas covered by the Bye Laws which were adopted by the Council in February 2017.

This work is currently underway and is expected to be completed by the end of June 2017.

The speed alert signs which are to be installed in seven estates are being procured and will be erected following the completion of the provision of the 30kph signs.

#### Business submitted by Director of Services

##### Presentation by Irish Rail

Mr. John Reville and Barry Kenny were in attendance from Iarnród Eireann to deliver their Report on Enhancing Customer Service in Iarnród Eireann.

A PowerPoint presentation was given to the Members regarding Enhancing Customer Service in Iarnród Eireann. Members raised various concerns regarding movement within DART Stations for mobility impaired users and the lack of Stations being manned by staff.
