

dlr Festival Inclusion 2016

DLR Festival of Inclusion will take place from the 8th to 15th October 2016. The theme of this year's festival is **"Celebrating Difference"**.

The purpose of the week is to increase awareness and understanding of inclusion and diversity in Dún Laoghaire Rathdown, and to encourage engagement, participation and support for communities experiencing exclusion or marginalisation.

This year we are concentrating on more participative style events that will involve local communities. We invite community groups, societies, associations, clubs and organisations to join in this week of celebration and acknowledgement by creating their own local event.

So that we can include your event in our Festival Brochure, please complete of short registration form.
