

Official opening of dlr LexIcon

An Cathaoirleach unveiling the plaque at the official opening

On 17 April 2015, An Cathaoirleach of Dún Laoghaire-Rathdown County Council, Councillor Marie Baker officially opened dlr LexIcon – the County's new Central Library & Cultural Centre.

Located in Moran Park, Dún Laoghaire, the LexIcon is a vibrant centre of learning and creativity and will be a key component in the delivery of the cultural programme in Dún Laoghaire-Rathdown for years to come.

For those of you who have not been able to visit the LexIcon yet, the building offers a mix of intimate and expansive public rooms, places to congregate or to sit quietly with a book or laptop and enjoy the view. It houses the Municipal Gallery, exhibition and performance spaces (including a 100 seat theatre), a café, meeting rooms, 60+ computers, 100 study and homework spaces, 80,000 items in the adult and junior libraries and space for 40,000 items in the bookstore.

The extensive opening hours of the Municipal Gallery make it one of the most accessible galleries in the Country and based on current

visitor numbers it will outperform the majority of Municipal Galleries in Ireland.

Speaking at the launch Councillor Baker said: "I am honoured to officially open the LexIcon. This amazing space embraces the modern concept of what a library should be – a key community venue where all are welcome. On any given day in the LexIcon you will meet a wide range of people using the spaces available - parents with young children, school children and students who need a quiet space to study, people who just want a quiet space to read a newspaper and others who don't have access to a PC at home who may want to use the public internet facilities. This wonderful facility will be available for future generations to enjoy."

For more information about the LexIcon please see page 2.

dlr LexIcon factsheet

dlr LexIcon is, without question, the most significant piece of public infrastructure to be built in Dún Laoghaire for over 100 years and the single biggest investment by the Council in a civic amenity.

Built just over 100 years since the old Carnegie library opened in Dún Laoghaire in 1912, the LexIcon has quickly established itself at the heart of the local community and provides a safe, accessible and democratic space where all are welcome.

The statistics below give a snapshot of activity in the LexIcon since it opened in December and an insight into the potential of what is a truly world class amenity. These statistics also match the view of our Writer in Residence Colm Keegan who, in his poem entitled

'Beyond This', written to mark the official opening of the LexIcon wrote:

*"And if readers are made up of all that they borrow and a book is the sum of all of its writer's read words
Then what this library stores beyond its many-thousand covers
Is as great as all we make and hold inside of us.
The gift of this place transcends time, and distance.
Its gift is our potential, and potentially infinite."*

220,000 Visitors

That is an average of over 10,000 visitors per week. We expect over 1/2 million people to use the space in any given year

Events

Weekly events in the LexIcon include: exhibitions, book clubs, talks, poetry readings, author readings, parent and toddler yoga storytelling, Minecraft workshops, junior members chess club weekly tours of the LexIcon

5,200 New members

have joined our library service

105,000 Items borrowed

A 260% increase on the number of items issued from the old Dún Laoghaire Library in the same period last year

Open 57 hours per week

this is 20 more hours per week than the old branch and is amongst the highest of any library throughout the Country

6 Exhibitions

The Municipal Gallery will host 6 exhibitions of national and international significance each year

A new way to have your say - dlr Consultation Hub

The Council is committed to engaging regularly and openly with residents, visitors and other audiences in order to better understand the expectations of our customers. To enhance our consultation processes and to increase participation in our decision making process we have recently launched the 'dlr Consultation Hub' – an online way for members of the public to comment and have their say on issues that directly affect them.

25 consultations have been made available for comment through the Hub since January, and we have logged over 1,600 responses in that time. The consultations involve many of the varied aspects of the Council's activities and range from road closures, proposals for new housing developments, outdoor events, the Draft County Development Plan and the Council's Corporate Plan.

The Consultation Hub will allow you to check out all of the Council's public consultations in one location on our website: <https://dlrcoco.citizenspace.com/>

It is our intention to publish all statutory and non-statutory consultations on our 'dlr Consultation Hub' where you will be

able to view all the relevant documentation, maps, drawings and reports, after which you can decide whether or not you wish to make a submission.

The Council believes there is a growing demand from our citizens for online services and we are committed to providing these services where possible. However, while we expect a large percentage of people to use our Consultation Hub, we will continue to accept written and email submissions from members of the public if that is how they wish to engage with us during various public consultations.

Blue Flag Status for Seapoint and Killiney Beaches

Dún Laoghaire-Rathdown County Council was delighted at the announcement made by An Taisce on 28 May that our two Blue Flags at Seapoint and Killiney beaches are to be retained for the 2015 bathing season.

The awarding of the Blue Flags for another year demonstrates our commitment to best practice in managing our unique and diverse coastline which we are so fortunate to live alongside. We will continue to carry out our extensive beach-cleaning programme on all beaches and wish to acknowledge the importance to the community of such a valuable amenity. The results of all bathing water quality tests carried out at the County's Beaches can be viewed on the Councils website www.dlrcoco.ie under the heading 'Bathing Water Quality'.

Council spend per person

The adopted Budget for 2015 provides for expenditure totalling €164,516,200, part of which is generated through Local Property Tax. The Council uses this money to provide a wide range of services that everyone who lives in the County has access to.

According to the most recent census the population of the County is 206,261. This effectively means that the Council will spend €798 on the provision of services for each resident in 2015. This diagram demonstrates how much of this €798 is spent on our various services.

Official Re-Launch of the People's Park

The much-loved People's Park in Dún Laoghaire was officially re-launched on 21 May 2015 by An Cathaoirleach, Councillor Marie Baker following the completion of an extensive redevelopment programme.

The works, which took eighteen months to complete, have returned the Park to its original Victorian layout and include:

- the restoration of the pavilion building, originally constructed for use as a shelter in Victorian times but now home to leading restaurant Fallon & Byrne; it has been restored and extended to provide a modern, vibrant restaurant with extensive views over the park and the bay
- an increase in soft landscaping features such as the perennial borders and large areas of manicured lawns
- the provision of modern public rest rooms in the Gate-Lodge
- the construction of a new elevated public space over the DART line that connects the park to the Seafront
- Extending and upgrading of the ever popular playground for the benefit of the younger visitors to the Park.

Samuel Beckett Civic Campus Nearing Completion

As you can see from the photograph below, phase 1 of the Samuel Beckett Civic Campus in Ballyogan has really taken shape over the last few months. Among other things, we are currently busy completing and commissioning the roof and the internal fit out of the Sports & Community Pavilion.

This phase of the development includes:

- A two storey building of approximately 2,250m² which will house community and recreation facilities
- Three synthetic pitches
- One GAA grass pitch
- Two grass soccer pitches
- A children's playground
- A skate park
- 90 Car parking spaces
- The cost of the works is €10.5m (excluding vat).

We expect to complete the project in Autumn 2015.

An Cathaoirleach's Celebration of Volunteers

On 25 April 2015, An Cathaoirleach, Cllr. Marie Baker hosted a 'Celebration of Volunteers' event in Cabinteely Park. She wished to formally recognise and thank 100 volunteers from across the County for giving their valuable time and expertise to help their own communities in areas such as sports, arts, community, environment and heritage.

Each of the volunteers at the event, who were nominated by members of their community, received a certificate and gift from An Cathaoirleach in recognition of their commitment to volunteering within Dún Laoghaire-Rathdown and for consistently and unselfishly offering up their time and effort for the good of their community, group or club.

Speaking on the day, An Cathaoirleach, Cllr. Marie Baker thanked everyone for their dedication and said: "I hope that what you take from this event today is the sincere and clear message that your efforts are greatly appreciated by other volunteers, by the people you help in so many ways, by the wider society and by Dún Laoghaire-Rathdown County Council".

The names of all of the volunteers nominated can be viewed on the

'Volunteer Recognition Wall' which is currently on display in dlr LexIcon.

Laurelmere – Páirc Mharlaí

Laurelmere – Páirc Mharlaí

Tá an Chomhairle fíorshásta go bhfuil an t-athchóiriú déanta ar ‘Laurelmere’, teachín a mbeadh cuairteoirí a thaobhaíonn Páirc Mharlaí go maith ar an eolas faoi, a bhfuil a chuid féin den stair ag baint leis agus a bhfuil dlúthcheangal aige le Teach Mharlaí agus leis na teaghlaigh a mhair i Marlaí leis na cianta.

Ceapadh an tionscadal athchóirithe chun teachín a raibh drochbhail cheart air a athnuachan trína athchóiriú de réir phrionsabail an chaomhnaithe, obair a bhí níos deacra fós ar an Rannóg Ailtirí sa Chomhairle mar gur dhéanamhas faoi chosaint a bhí ann. Is é an toradh atá ar an obair gur athchóiríodh gnéithe oidhreachta an teachín ach go ndearnadh obair íogair chomhaimseartha air chun fónamh do riachtanais an lae inniu.

Is féidir an foirgneamh a úsáid anois de bharr an athchóirithe, tá buntáistí breise leis agus is ann atá Cumann Ríoga Gairneoireachta na hÉireann lonnaithe anois. Sa bhliain 1816 a bunaíodh an cumann. Carthanas cláraithe atá ann a bhfuil sé i gceist leis an t-eolas, an scil agus an cleachtas a bhaineann le ceird na gairneoireachta, na crannadóireachta agus an mhaisiúcháin le bláthanna a chur chun cinn agus a fheabhsú. Sa lá atá inniu ann, is í an phríomheagraíocht i ag lucht gairneoireachta na hÉireann.

Is as an airgead a bailíodh trí chlár ceolchoirmeacha Pháirc Mharlaí a íocadh costais an athchóirithe. Thug isteach is amach le 550 duine cuairt ar an bhfoirgneamh le linn chlár Thithe Oscailte Dheireadh Fómhair seo caite agus ó tharla go raibh fonn ar an oiread sin daoine cuairt a thabhairt air osclófar don phobal é mar chuid den chlár, Samhradh na hOidhreachta. Léiríodh an-spéis freisin sna cúrsaí agus sna léachtaí a bhíonn ag Cumann Ríoga Gairneoireachta na hÉireann, agus beidh turais eagraithe ar an bhfoirgneamh ina gcuid den úsáid a bhainfear as Laurelmere feasta.

Kung Fu Badger

Ní raibh oiread is lá amháin den Idirbhliain caite againn i mBliain 4 i gColáiste Eoin sa scoilbhliain 2013/2014 nuair a cuireadh in iúl dúinn go raibh an chéad tionscnamh le déanamh againn.

Dúradh linn gur shocraigh beirt de chuid Paper Panther Productions - Eimhin MacNamara agus Dean Eaton - teacht isteach go Coláiste Eoin agus cúrsa beochana a chur ar fáil do na daltaí i mBliain 4 a raibh suim acu ann. Is é an aidhm atá ag Paper Panther Productions ná gearrscannáin bheochana a chruthú. Toisc gur Comhairle Chontae Dhún Laoghaire Ráth an Dúin agus An Roinn Comhshaoil tríd an togra frith-bhruscair agus frith-graffiti a rinne maoiniú ar an obair, is ar an teachtaireacht glas a chur chun cinn a bhí téamaí na scannáin bunaithe.

I gcás an scannáin faoin a raibh daltaí Choláiste Eoin le tabhairt, is ag díriú ar fhadhb an bhruscair a bhí an scannán dírithe. Ins an scannán bhí na hainmhithe le cur as sorcas toisc gur chruthaigh an sorcas fadhb bruscair de bharr nár thug sé aghaidh ar dhiúscairt dramhaíola. Thug Eimhin agus Dean mórán cabhrach dúinn ó thaobh na healaíona de agus ó thaobh an chúlra de ach is iad daltaí na hIdirbhliaina den chuid is mó a scríobh an scéal. Thóg sé seachtain orainn an scannán a chur le chéile agus a thabhairt chun críche de bharr an oiread pictiúir de gach suíomh a bhí le tógáil againn.

D'éirigh linn, áfach, ár scannán a chur le chéile agus léiríodh Kung Fu Badger don chéad uair i bhfoirgneamh an Chomhairle Contae i mí Dheireadh Fómhair 2014. Ba é seo an chéad uair dúinn féin an fhís chríochnaithe a fheiceáil. I mí Márta 2015 léiríodh Kung Fu Badger arís ag an Fresh Film Festival san IFI i measc bailiúchán de scannáin a chruthaigh daltaí scoile faoi bhun 18 bliana d'aois. Dob é ár scannán an t-aon scannán beochana sa bhailiúchán agus toghadh é mar cheann den deich scannán a rachadh chun cinn chuig an babhta ceannais.

An rud is mó a chuir iontas orainn ná an chaoi ina ndeachaigh an tionscnamh beag, bunúsach seo chun cinn agus gur scannán ráithiúil le haitheantas idirnáisiúnta atá ann anois.

Is tionscnamh é seo a chuir go mór leis an Idirbhliain a bhí againn i gColáiste Eoin agus gabhaim buíochas ó chroí le Dean agus le Eimhin as ucht a gcuid oibre ar fad agus níl dabht ar bith ná gur bhaineamar sár-thaitneamh agus sár-thairbhe.

Ted Ó Ceallaigh (guth Badger) – Coláiste Eoin

Works on Pottery Road drawing to a close

Following the completion of works to the junction with Rochestown Avenue, Pottery Road was reopened to two-way traffic on Monday 20 April 2015. It is expected that the scheme will be fully complete by June 2015 and that any remaining works affecting traffic will be completed under a Stop/Go arrangement.

The scheme will ensure safer conditions for all road users and includes the following:

- 1.62 km of new single carriageway
- 1.8 metre wide footpaths
- 2 metre wide cycle lanes

- a new 4 way signalised junction at the access roads to Amgen and Mackintosh Park
- four pedestrian crossing points

Additional works included the construction of new boundary walls, a new watermain and surface water drainage along the entire route, two attenuation

ponds, public lighting and alterations / diversions to existing services and utilities.

The improved access resulting from the scheme will facilitate the expansion of the pharmaceutical company Amgen and the National Rehabilitation Hospital's future 120 bed facility.

Update on the Draft County Development Plan

Many thanks to those of you who made submissions on the Draft County Development Plan 2016 – 2022.

Over the course of the 10 week public consultation period (which ended on May 11), there were 12 public information meetings held across the County and over 700 submissions were received on a wide range of issues. These are currently being examined by the Planning Department and will be compiled in the Chief Executive's Report that will be presented to the Elected Members on 31 August 2015 setting out the Council's response to each issue raised.

Once the Chief Executive's report has been considered, the Elected Members may decide to make the plan or, if there are material alterations, an amended Draft Development Plan will go on public display.

Continued Investment in Community Facilities

An Cathaoirleach, Councillor Marie Baker, officially reopened two recently refurbished community facilities during what was a very busy Spring for our Housing and Community Department.

Friday 17 April, saw the official reopening of Park House Community Facility, Library Road, Dún Laoghaire which will be used to provide community services for local people, young and old.

Then on Thursday, 21 May, we officially re-opened Patrician Community Centre, Stillorgan which provides a community space to groups within the Stillorgan and Blackrock areas for a variety of activities.

The Community Development Section of the Council will continue to have a crucial role in supporting the management committee and the day to day running of both facilities.
