General Information regarding the CoCo Markets

Thank you for enquiring about taking a stall at the CoCo Markets.

Following are guidelines for your general information. Do not undertake any of the following without arranging a guaranteed market stall for yourself first. This information is intended to educate you about what is involved in taking out a market stall only.

You will need:

- **Public Liability Insurance** with an appropriate level of indemnity. The policy must specifically indemnify Dun Laoghaire Rathdown County Council.
- To register with your local health board if you intend to produce food or consumables of any kind at home. You can inform your local HSE/EHO that you intend to produce goods at home for sale at the markets. They will inspect your premises at some point, but it is not essential for the inspection to happen prior to beginning to trade.
- If you are selling hot food, you will have to comply fully with all health and safety legislation, and it is your responsibility to find out what is required. At a minimum, you will need a hot water hand-washing unit in your stall.
- All perishable food must be kept at the correct temperatures, and you must keep a record of the temperatures by using a calibrated temperature probe.
- To provide your own equipment including a gazebo or market umbrella, 3m x 3m or smaller and own weights
- 50 metre extension lead suitable for outdoor use if you require electricity
- Please note that payment will be accepted by **Standing Order only**. **All vendors** must pay monthly **in advance**.

Day	Location	Times
Sunday	People's Park, Dun Laoghaire	11AM – 4PM
