## Department of Rural and Community Development Community Enhancement Programme 2019

Departmental Guidelines adapted for DLR Local Community Development  
Committee (LCDC)

PLEASE READ THE FOLLOWING GUIDELINES CAREFULLY BEFORE COMPLETING THE  
APPLICATION FORM.

### 1. Introduction

The Community Enhancement Programme (CEP) provides funding to community groups across Ireland to enhance facilities in disadvantaged areas.

The **CEP** is funded by the Department of Rural and Community Development (*the Department*) and administered by the Local Community Development Committees (LCDCs) in each Local Authority area.

The Department provides funding to each Local Authority (LA) area and the LCDCs then administer this funding locally to ensure funding is targeted appropriately towards addressing disadvantage in the areas that need it most.

It is important to note that other agencies and departments also invest in disadvantaged areas<sup>1</sup>. The **CEP** will operate in a complementary manner to add value to other front-line schemes and programmes being operated in communities.

The Department has recommended that LCDCs ring-fence some funding to provide small capital grants of €1,000 or less. This is aimed at assisting small grassroots community projects to get off the ground. Ring-fencing funding at this level will allow a larger volume of those with limited resources to receive some funding. The programme can also fund or partially fund larger scale capital projects to address disadvantage. The maximum grant amount that will be awarded under this scheme is €20,000.

---

<sup>1</sup> For example, the Department of Education and Skills in DEIS schools and community liaison officers, HSE in community care services, DSP in Intreo and through the Local Employment Service etc. This Department of Rural and Community Development also operates the SICAP (Social Inclusion and Community Activation Programme) to assist individuals and groups from disadvantaged communities.

Applications can be made to the relevant LCDC by 5pm on Thursday, 30<sup>th</sup> May 2019.

### **3a. What projects are eligible for funding?**

The funding covers capital projects only. In cases where both current and capital works are carried out together, only the capital element can be funded through this Programme.

Funding could fill in gaps in Local Authority funding and make particular projects viable or improve them. Funding could be applied to speed up and improve projects already identified i.e. those in planning stage or ready to implement.

In relation to thematic areas, projects must have complementarity with the objectives of the DLR Local Economic and Community Plan (LECP). Please see Appendix 1 of the Guidelines which sets out a selection of DLR LECP priority objectives. Alternatively please see full DLR LECP document at [http://www.dlrcoco.ie/sites/default/files/atoms/files/dlr\\_lecp\\_april\\_2016.pdf](http://www.dlrcoco.ie/sites/default/files/atoms/files/dlr_lecp_april_2016.pdf)

### **3b. What is not eligible for funding?**

The following expenditure is not eligible for funding:

- Any project not in keeping with the ethos of the Programme
- Any day-to-day expenses (i.e. current or operating costs)

## **4. Requirements of the Programme**

The following conditions apply to all projects. Depending on the nature of your project (and the group applying), there may be further requirements that must be met. The LCDC/LA will discuss this with you, if your application is successful.

### **Tax Requirements**

- The applicant group/organisation does not have to be registered for tax purposes.
- Any applicant group/organisation that is registered for tax purposes must be tax compliant. In line with revised tax clearance procedures, which came into effect in

January 2016, the Tax Clearance Access Number and Tax Reference number must be submitted for verification purposes.

**Statutory Consents** - Applicants must ensure that all necessary statutory permissions or consents have been obtained before any works commence. This includes but is not confined to planning permission.

**Insurance** - Written evidence of a valid insurance policy may be requested by the LCDC, where relevant, during the applications review process.

**Acknowledgment of funding** - Due to the value of some of these grants, it would not be cost-effective to require signage acknowledging the Department, Local Authority or LCDC. Other suitable acknowledgements will suffice e.g. on a group/organisation's website or social media platforms. Where signage is developed it should acknowledge the contribution of the Department.

**Match-funding** - this is not a requirement under this programme.

## 5. Selection Criteria

## 6. Corporate Governance

### 6a. Monitoring:

Grantees will be required to comply with the highest standard of transparency and accountability as documented in Department of Public Expenditure and Reform Circular 13/2014 - Management of and Accountability for Grants from Exchequer Funds <http://circulars.gov.ie/pdf/circular/per/2014/13.pdf>

The overall principle is that there should be transparency and accountability in the management of public funds, in line with economy, efficiency and effectiveness. The circular outlines, for example, that grant recipients should not dispose of publically funded assets without prior approval.

## **6b. The Code of Governance for Community and Voluntary organisations**

The Department is encouraging funded bodies to adopt the Governance Code, a Code of Practice for Good Governance of Community, Voluntary and Charitable Organisations, which will assist in achieving excellence in all areas of your work. The Governance Code asks organisations to agree to operate to key principles in order to run their organisation more effectively in areas such as leadership, transparency and accountability and behaving with integrity. Further information on the Code is available at [www.governancecode.ie](http://www.governancecode.ie)

## **7. Approval Procedures**

All applications for funding under this programme received by each LCDC will be reviewed and assessed to ensure consistency with the relevant Local Economic and Community Plan (LECP).

In deciding the final allocations of funding to projects, the LCDC may take account of a number of factors including geographical balance and the desirability to fund a variety of different projects and the relative disadvantage of the area where the facility is located (or will serve)<sup>2</sup>.

Following assessments and decision of the LCDC each approved project, subject to the completion of legal formalities and other requirements, will receive an offer in principle of grant-aid. This will be subject to compliance with the relevant conditions and subject to the satisfactory acceptance by the applicant of this offer.

The LCDC reserves the right to reassign the funds offered to another approved project if all requirements are not met within a reasonable period.

The Department and/or the Local Authority reserve the right to carry out an audit of expenditure or conduct inspections from time to time.

### **Please Note:**

Requests for assistance usually exceed the funds available and it is important therefore that the process of evaluation is rigorous. The purpose of this process is to ensure that

Offers of funding may be for a lesser amount than that sought by the applicant. Applicants should be aware that the Programme may be oversubscribed. Therefore, in such circumstances, all applications fulfilling the conditions may not be successful or may be awarded a lesser amount.

The LCDC in evaluating proposals received may seek advice and consult with other agencies, and may disclose information on projects under consideration to those experts and agencies.
