Message from An Cathaoirleach

Welcome to our winter edition of the dlr times, which will give you some insight into how the Council will be allocating the revenue budget for 2019. The adoption of the budget reflects dlr's commitment to shaping and promoting a smart, vibrant county which is attractive, inclusive and accessible to all. I particularly welcome the funding for climate change initiatives as the promotion of environmental measures is critical to our future generations. I am pleased also that this budget is pro-business – a number of initiatives offered to local businesses will provide opportunities to prosper and improve quality of life generally. Please support our local traders this Christmas season. A very happy Christmas to you all!

CLLR. OSSIAN SMYTH

Message from the dlr Chief Executive

2018 was a significant year for dlr. With the Elected Members we agreed the largest revenue budget in over a decade, totalling over €183 million. We saw the dissolution of the Dún Laoghaire Harbour Company and the transfer of the Harbour to the Council, which presents us with an exciting opportunity for the future development of the harbour. We were also allocated over €2.2m under the Urban Regeneration and Development Fund, which is part of Project 2040, with approval in principle received for a number of other projects.

We opened the new Civic Hub, providing for improvement in our service delivery and emphasising our focus on people. We also opened the new Council Chamber, an accessible space dedicated to the enhancement of local democracy.

2019 will be a busy year, with local government elections in May, many sports events, a series of tourism initiatives, development of plans for the Harbour, and the continuing development of Cherrywood and Shanganagh. In the meantime, I wish you all a very Happy Christmas.

2019

Council Budget Overview

The dlr Annual Budget 2019 commits to a spend of €183.8 million on services in the county for the coming year, a substantial increase of €7 million on Budget 2018.

In preparing the dlr Annual Budget, we must consider, hand in hand with our statutory obligations, our delivery of the Council's corporate objectives and balancing the many and varied needs of residents, businesses and visitors to our county. The extent to which the Council can meet these needs is partly determined by the general economic conditions. The recovery of our economy has, for the first time in many years, allowed us to deliver an expansion of services across all areas. This Budget reflects the increased buoyancy and upturn in the economy.

There will be no increase in commercial rates, no increase in housing rents and environmental and parking charges will remain stable for the first time in a decade. An additional €830,000 has been made available for the provision of homeless services and the number of inspections carried out in the private rental sector will increase by 150%, due to an increase in Budget provision.

The uplift in construction development activity across the county has impacted positively on the 2019 Budget. An increase in income of €2.4 million from commercial rates will allow for more effective service delivery and a number of new initiatives; including the roll-out of electric car charging points, village clean-ups across the county and an expansion of our

age-friendly initiatives. The additional expenditure allows for enhanced service levels across a range of departments and services, focusing strongly on increasing supports for people living and working in our county, and for those visiting our many beautiful places and attractions.

The Budget further allows for increased spend on Climate Change initiatives and funding towards the upkeep of our high-quality public realm. We will also continue with improvements to our beaches and bathing areas and will provide disability access to an additional two bathing areas in the county next year.

The Budget increase will also enable us to continue to be at the forefront of local government's transformation agenda, continuing our work on Smart Dublin and building on the digitisation of our dlr Grants Scheme. The year 2019 will see the development of a new Tenant Portal which will assist housing clients from the moment they make their application.

You can see more highlights of the dlr Budget on pages 5-8 of this issue.

A new addition to the Dún Laoghaire skyline this Christmas

We hope you are all very much enjoying the Christmas festival in Dún Laoghaire this year. If you haven't yet visited, there's lots to entertain you. We have an iconic Ferris wheel at Moran Park, beside dlr Lexlcon, until 2 January. A wonder of modern engineering when it was built in 1955 and still a sight to behold, the 55ft wheel reportedly featured in the original Grease movie and provides spectacular views over the harbour. It is surrounded by a vintage carnival, North Pole Post Box and a charming Christmas market adding to the winter wonderland feel.

The Dún Laoghaire Christmas Market is a feast for the seasonal senses with carefully selected vendors selling authentic hand-made gifts and delicious treats every weekend until 23 December on the Metals and opposite dlr Lexlcon from 11am to 7pm. Aromas of gourmet sausages, Hungarian beef goulash soup and lángos, German gluhwein, crepes and steaming hot chocolate fill the air as you wander through the Christmas Market, surrounded by hand-crafted gifts and decorations, jewellery, metal art, sculpture and a whole host of quality artisan gifts and treats that are made by hand with love.

Dún Laoghaire Town Centre has over 280 retail outlets and businesses so why not avoid city-centre crowds and stuffed out-of-town shopping centres and instead browse, shop, relax and soak up the festive spirit of our beautiful seaside town? Extra trading hours and exclusive in-store promotions all add to the festive cheer.

And don't forget our dlr Christmas parking promotion – another very good reason to shop local this Christmas. For every hour of on-street parking purchased across the county, get one hour free! This promotion runs until 5 January 2019.

End of year, end of car?

Is your car or van past its "sell by" date? Are you looking to dispose of it? dlr can remove and dispose of "end of life" vehicles, free of charge. If you want to arrange to get one removed, or to report an abandoned car in your area, get in touch with us at 01-205 4817 or email environ@dlrcoco.ie

dlr Climate Change Action Plan

In the New Year, the Council will publish its draft Climate Change Action Plan for public consultation. It will set out how the Council will improve energy efficiency and reduce greenhouse gas emissions in its own buildings and operations, whilst making Dún Laoghaire-Rathdown a more climate-resilient location, with engaged and informed citizens.

The Plan will demonstrate our desire to exceed local government targets through on-going and planned actions in five key areas: Energy and Buildings, Transport, Flood Resilience, Nature-based solutions and Resource Management.

Once adopted, the Plan will have a five year life, during which its actions will be continuously monitored and evaluated and will be used to inform future initiatives as we work towards becoming a low-carbon society.

Competition

New Year New You!

Let dlr Leisure Services help you get into shape for the New Year. Enter our fantastic competition to win one of two annual passes to any of their centres! Located across the county at Ballyogan, Loughlinstown, Meadowbrook and Monkstown, these great facilities have fully equipped gyms, excellent pools, fitness studios and all-weather pitches.

dlr Leisure Centres have an extremely positive impact on the local communities they serve. Any profits they make go directly back into helping the local community, through job creation, facility improvements, or the provision of new programmes and services.

To enter, all you have to do is sign up to receive the dlr times by email. Log on to dlrcoco.ie/dlrleisurecompetition and register your details by 24 January 2019. The lucky winners will be notified the following day.

Housing Delivery Programme

Dún Laoghaire-Rathdown County Council continues to focus on the provision of suitable, cost-effective, good-quality accommodation and housing support for people in need of homes.

Moyola Court

This December we completed construction on 44 new homes at Rosemount Court, which are comprised of 12 x 1-bed apartments, 4 x 2-bed, 27 x 3-bed and 1 x 5-bed houses, which will be home to 12 individuals and 32 families.

This scheme was built in close proximity to existing services on a brownfield site previously occupied by a small, multi-storey flat complex. The building of new homes remains a major pillar of our housing delivery programme, with 101 new homes completed by early December and a further 50 to be completed and allocated to families and individuals in need of housing in the coming weeks.

However, we employ all delivery options provided for under Rebuilding Ireland, such as the Buy and Renew Scheme, which focuses on older housing in need of upgrading works that will reduce dereliction and improve streetscapes. Major refurbishment works will shortly be completed on 12 homes in Moyola which we acquired last year through this Scheme.

While dlr has a low number of vacant properties, the Council recognises that there are some empty residential properties which would make lovely homes with some upgrading works. The Housing Department can help owners turn these properties into comfortable dwellings, by providing financial assistance through the Government-funded Repair and Leasing Initiative.

While the Council makes full use of Part V of the Planning and Development Act 2000, to acquire housing units in private developments, we are also interested in buying partially completed or turn-key developments in Dún Laoghaire-Rathdown, such as the development of 6 apartments and 8 houses at Dunedin which we have acquired and will allocate before the end of 2018.

The Council will also consider the purchase of serviced land, sites with planning permission and land zoned for residential development.

Are you the owner of a vacant residential property in need of improvement works?

Are you the developer of a completed, or partially completed, residential scheme?

Are you the owner of a serviced site or land zoned for residential development?

We are interested in buying:

- Vacant residential properties;
- Serviced land, sites with planning permission, partially completed developments, or turn-key developments;
- Land zoned and suitable for residential development;
- Residential schemes completed or partially completed.

Why not talk to us so that we can advise you of your options. Contact secretariat@dlrcoco.ie or phone 01 205 4765.

dlr staff profile

Ian Smalley

dlr PARKS AND LANDSCAPE
ADMINISTRATIVE OFFICER

Ian is the Administrative Officer in the Parks and Landscape Section of the Municipal Services

Department. After graduating from university in 1988, Ian worked in the UK for a number of years before upping sticks and heading off around the world in the mid-1990s. He moved to Ireland in 1997 and has worked for dlr ever since.

What do you do?

My main areas of responsibility are Parks and Cemeteries administration, overseeing the dlr Events programme, which is a series of at least 8 free family-orientated events held annually in the County's Parks and Open Spaces, supervising the organisation and running of the Marlay Park concerts and administering the dlr Events grant application scheme, which provides about €160k per annum in funding.

What is your typical work day like?

With the range of responsibilities in the job, I can never be sure what issues are going to arise each day. With the best will in the world, and despite efforts to keep to a structure, there are always issues arising which take me from my planned routine. This might range from assessing applications from community groups for a cultural event grant, discussing revisions to the design of the Columbarium walls in Deansgrange Cemetery, or a site visit to assess the requirements of the Dún Laoghaire Christmas Market. All the while dealing with whatever correspondence may arrive during the day.

What is the most difficult part of your job?

That's easy to answer! Deciding how to get all those Samhain wristbands to the public in the most effective and fairest way possible!

What is the most rewarding part of your job?

It's always nice to see positive comments on social media in relation to the events we run or the work we do. This is all due in large part to the tireless and enthusiastic work of the teams in Parks administration, Parks operations and the Cemeteries, much of which takes place behind the scenes.

My Open Library in Deansgrange

Dún Laoghaire-Rathdown County Council is the first local authority in Dublin to introduce My Open Library, a new service facilitating additional opening hours at Deansgrange Library. My Open Library offers extended opening hours to library members on a self-service basis outside normal opening hours, from 8am to 10pm, 7 days a week, 365 days a year. Opening hours with library staff present are as normal, and staffing levels at all libraries are not affected by the service. With the support of government funding, My Open Library is already operational in Banagher and Tullamore Libraries in Offaly, and Tubercurry Library in Sligo.

My Open Library facilitates access to Deansgrange Library for the wider community. Users can access the library at times that suit them best, especially for those who cannot get to the library during normal opening times. Further information on how to register for the My Open Library service can be obtained from the staff in Deansgrange Library on 01 285 0860 or deansgrangelib@dlrcoco.ie

24 November– 20
January, 2019

Curated by Hillsboro Fine Art's **John Daly**, this exhibition brings together, from different generations, three of Ireland's finest contemporary painters – **Sinéad Ní Mhaonaigh** (b. 1977), **Eddie Kennedy** (b. 1960) and **Patrick Graham** (b. 1943). There are many links that make them complementary neighbours in this gallery, not least their love of the sea and connection to Dún Laoghaire and its environs.

and the tide was way out: Paul Hallahan & Lee Welch

2 February–31 March, 2019

This exhibition of painted works finds its creators looking to Utopia and the end of perceived history. And the tide was way out will encompass the gallery space, working with the architecture of the building to pose questions of how we, as artists, see the world with a combination of fable-based and abstracted landscape paintings.

Young Filmmakers Win Award

Huge congratulations to the young movie-makers from the Grainstore, dlr's Youth Arts facility, who won the NOISE Flicks Concept Award 2018 at October's youth film festival. Their film, *Strings Attached*, was created and made over an intensive period in June. It is an impressive achievement, particularly from young people who have only been working together for a short time.

Make sure and keep an eye on the What's On section of dlrcoco.ie/arts for details of the Gallery Learning Programme. Lots of workshops, talks, tours and special events for all ages, as well as our dementia-friendly gallery tours and the ever-popular Open Studio every Friday morning.
