

## The Heritage Tree Hunt

The trees throughout our County are a vital resource and help make Dún Laoghaire-Rathdown a great place to live, work and visit. Our *Parks Team* are developing a Countywide tree strategy, *dlr TREES*, and the current draft can be found on our website at [www.dlrcoco.ie](http://www.dlrcoco.ie). A Key Action of *dlr TREES* is to promote the national *Heritage Tree Hunt*, which is being carried out by the Tree Council of Ireland.

The *Heritage Tree Hunt* is a survey of heritage trees in Ireland. It aims to record and catalogue information about Ireland's heritage trees, their unique stories and images.

The website ([www.heritagetreehunt.ie](http://www.heritagetreehunt.ie)) offers everyone the opportunity to access the *Heritage Tree Hunt* records, see the photos and read the stories behind these magnificent trees. Joining in the hunt is easy... just log on to the website and follow the onscreen instructions - it will only take a minute!
