

How do I apply for permission to film in Dún Laoghaire-Rathdown?

To apply for permission to film in the County, you will need to fill out the official application form and return to info@dlrcoco.ie

Please put **Film Permit** in the subject heading

Submit your application at least 10 working days in advance of filming; for a large production allow more time, particularly if it requires an official road closure.

You should note that permits for different locations are processed via a number of departments depending on the nature of your production.

During filming, all or any Bye Laws that are in place must be adhered to.

What are the Fees & charges for filming in dlr?

The current rates for filming/photography within the administrative area of the Council are as follows:

- 1 hour €240 + Vat @21%
- €120 + Vat @21% per hour thereafter
- Daily rate: €800 + Vat @21%

Rates are higher for use of Cabinteely/ Marlay House & Dún Laoghaire Harbour, and need to be discussed directly with the relevant section in advance.

Non-commercial photography may be permitted free of charge, subject to permission from the relevant Department.

Is there a cost for the suspension of paid parking bays?

Yes, the cost of suspending paid parking bays is €35 per bay, per day (or part of).

If parking bays are required in car parks the cost of €35 per bay + 21% VAT, per day (or part of).

What if I am a registered college student?

Students from an accredited College requesting to film for projects etc., must request permission in writing and submit a copy of the Colleges Public Liability Insurance indemnifying Dún Laoghaire Rathdown County Council against any claims, in the amount of €6.5 million. There shall be no charge for actual filming.

What about fees for Charities?

Registered Charities are exempt from all fees.
