'Drag & Draw' – an art class with a difference as part of dlr Festival of Inclusion. Drag & Draw host life-drawing sessions with drag artists as models and the event is an art class and a drag show.

The class is made up of various different fast and slow-paced drawing exercises, incorporating lip-syncs and audience interaction.

This is an informal event, very suitable for life-drawing beginners (so you can ignore RuPaul's advice, and feel free to mess it up!).

It will also challenge experienced artists by providing, not your typical life-drawing model, for you to draw – think more sass!

Basic drawing materials will be provided. Free entry and booking at eventbrite.ie
