ROAD CLOSURES

SECTION 75 OF THE ROADS ACT, 1993
Temporary Closure of N11 between its junction with Kill Lane (Foxrock Church) to on ramp R118 Cherrywood Interchange Southbound and Northbound

Dún Laoghaire-Rathdown County Council has approved an application from Roadstone, Fortunestown, Belgard, Tallaght, Dublin 24 to temporarily close part of the N11 Stillorgan Road between its junction with Kill Lane (Foxrock Church) to on ramp R118 Cherrywood Interchange junction southbound and northbound from **Monday, 22nd January 2024** to **Sunday, 30th June 2024** between 19:30 hours to 05:00 hours each day.

The start time of 19:30hrs is required as it allows the Contractor sufficient time to carry out the section of the works that creates the most noise i.e. the planing of the existing road surface.

It is a requirement that this section of the works is completed by 23:00hrs, therefore commencing the works at a time past 19:30hrs would serve to severely limit production and have a detrimental effect of the programme of the overall works.

An earlier time than 19:30hrs would assist with the programme but the effect on traffic movements would not be manageable, as such it is seen that a 19:30hrs start time provides the best approach in balancing both traffic movements and ensuring progress of the works.

A Traffic Management Plan will be in operation and pedestrian, local access and access for bus and emergency services will be maintained at all times. Diversion routes will be clearly signposted.

The purpose of the closure is to allow for realignment of the traffic lanes.

SECTION 75 OF THE ROADS ACT, 1993
TEMPORARY CLOSURE OF GLENAGEARY ROAD UPPER

Dún Laoghaire-Rathdown County Council has approved an application from Roadstone Ltd. to temporarily close Glenageary Road Upper from the junction of R829 Sallynoggin Roundabout to the junction of Killiney Roundabout from **Monday, 3rd July 2023** to **Thursday, 29th February 2024**.

A Traffic Management Plan will be in operation and pedestrian and local access will be maintained at all times. It is not a full road closure - the road will remain open to eastbound motorised traffic.

The scheduling of the works has been changed to maximise works near Rathdown School during school holidays. One of the diversion routes is a distributor road without frontage development. Other diversion routes already have traffic calming. Diversion routes will be clearly signposted.

The Roads Maintenance Section produced a report showing that the proposed works method is the best to minimise traffic impact.

The purpose of the closure is full road reconstruction works will require the road to be excavated with associated ancillary works on the footpath.

Notice is hereby given that Dún Laoghaire-Rathdown County Council, in exercise of the powers under Section 10 of the Road Traffic Act, 2004, in the interests of road safety and to facilitate the resurfacing of the N11 motorway has made an Order entitled **Road Works Speed Limit Order, No.1 of 2024 on the N11 motorway in the County of Dún Laoghaire-Rathdown to apply a road works speed limit as follows:**

N11 Southbound and Northbound will run from 22/01/2024 until 30/06/2024

Description of speed limit order **60km/hr:**

The Garda Commissioner has been notified by email of the Council's intention to decrease the speed limit to 60km/hr on the N11 Southbound and Northbound, in accordance with Section 10 of the Roads Traffic Act, 2004.

Accordingly, I recommend the introduction of the 60km/hr speed limit (N11 Southbound and Northbound) from Monday, 22nd January 2024 until Sunday, 30th June 2024 or for the duration of the works, whichever is the earlier.
