

SECTION 75 OF THE ROADS ACT, 1993
TEMPORARY CLOSURE OF GLENAGEARY ROAD UPPER

Dún Laoghaire-Rathdown County Council has received an application from Roadstone Ltd. that proposes the temporary closure of Glenageary Road Upper from the junction of R829 Sallynoggin Roundabout to the junction of Killiney Roundabout from **Monday, 29th July 2024** to **Monday, 30th September 2024**.

A Traffic Management Plan will be in operation and pedestrian and local access will be maintained at all times. It is not a full road closure - the road will remain open to eastbound motorised traffic. The scheduling of the works has been changed to maximise works near Rathdown School during school holidays. One of the diversion routes is a distributor road without frontage development. Other diversion routes already have traffic calming. Diversion routes will be clearly signposted. The Roads Maintenance Section produced a report showing that the proposed works method is the best to minimise traffic impact.

The purpose of the closure is road resurfacing works will require the final layer of asphalt and minor civil works including ironworks, line marking and installation of defender kerbs.

Any interested parties may lodge objections/observations in writing to the Senior Engineer, Traffic Section, County Hall, Marine Road, Dún Laoghaire not later than Noon on Wednesday, 24th July 2024 or email info@dlrcoco.ie.
