ROAD CLOSURES

**SECTION 75 OF THE ROADS ACT, 1993
TEMPORARY CLOSURE OF BRENNANSTOWN ROAD**

Dún Laoghaire-Rathdown County Council has approved an application for the temporary road closure of Brennanstown Road from its junction with Brighton Road to its junction with Cabinteely Village crossroads (Garda Station) from **Monday, 9th September 2024 to Friday, 20th September 2024** between the times of 08:00 hours and 18:00 hours each day.

A Traffic Management Plan will be in operation and pedestrian and local access will be maintained at all times. Diversion routes will be clearly signposted.

The purpose of the closure is for road reconstruction and resurfacing and footpath resurfacing.

**SECTION 75 OF THE ROADS ACT, 1993
TEMPORARY CLOSURE OF NUTGROVE PARK, ROEBUCK**

Dún Laoghaire-Rathdown County Council has approved an application from GMC Utilities to temporarily close Nutgrove Park, Roebuck from its junction with Leinster Lawn to its junction with Clonskeagh Road from **Monday, 26th August 2024 to Saturday, 5th October 2024**.

A Traffic Management Plan will be in operation and pedestrian and local access will be maintained at all times. Diversion routes will be clearly signposted.

The purpose of the closure is for the installation of a new ESB cable and joint box on the existing 110kv ESB line going through Nutgrove Park.

SECTION 75 OF THE ROADS ACT, 1993
TEMPORARY CLOSURE OF GLENAGEARY ROAD UPPER

Dún Laoghaire-Rathdown County Council has approved an application from Roadstone Ltd. to temporarily close Glenageary Road Upper from the junction of R829 Sallynoggin Roundabout to the junction of Killiney Roundabout from **Monday, 29th July 2024 to Monday, 30th September 2024.**

A Traffic Management Plan will be in operation and pedestrian and local access will be maintained at all times. It is not a full road closure - the road will remain open to eastbound motorised traffic. The scheduling of the works has been changed to maximise works near Rathdown School during school holidays. One of the diversion routes is a distributor road without frontage development. Other diversion routes already have traffic calming. Diversion routes will be clearly signposted. The Roads Maintenance Section produced a report showing that the proposed works method is the best to minimise traffic impact.

The purpose of the closure is road resurfacing works will require the final layer of asphalt and minor civil works including ironworks, line marking and installation of defender kerbs.
