

Dún Laoghaire-Rathdown County Council is delighted to be celebrating a big birthday for our dlr Primary Arts Programme, we are 30 years old this year!

We have been supporting artists to work with children and teachers in our local schools since 1994. Dancers, visual artists, musicians, writers and performers have enjoyed exploring creativity in the classrooms of the County.

We'd like to thank all the artists, children and teachers that have been part of the programme over the years.

We'd also like to thank Blackrock Education Centre, our partners since 2008.

HOW TO BE AN ARTIST!

There are lots of ways to become an artist. You could be a painter, actor, director, playwright, dancer, singer, musician or comic artist. It just takes passion and practice!

1. Use markers, colouring pencils or crayons to colour in the page below!
2. Get a piece of paper and write and draw your own comic about being an artist!
3. Make up a song and dance about you and your friends!
4. Make a short film about robots with your friends!
